Apologies:	Jeremy Geale, Matt Davis, Sarah Froh

New Business

Motion to accept additional spend of \$70,000 in 2019 for new playground facilities

Paul Nicholson outlined the reasons why P&C proposes to spend an additional \$70,000 this year.

Mr Moran has asked P&C whether sufficient funds are available to renovate the playgrounds in a single stage, rather than two stages. Mr Moran expects this to reduce disruption to the school (even more so if completed during school holidays).

\$105,000 was budgeted for Grounds & Building Capital Works including canteen and clothing pool renovations (\$5000 and \$20,000 respectively). \$105,000 has now been paid to the school.

We are due to receive a grant of \$37,000 from smartygrants to assist with the works; the additional spend will allow the renovations to be completed in one stage.

Members voted on whether we should accept this additional spend, vote was unanimous; all members accepted this motion.

Next meeting

Term 2 – Thursday 6 June 2019

Meeting Closed	3:30pm
